Dear Mr. Sjouwerman:

Congratulations on KnowBe4, Inc. recently being included in the *Tampa Bay Business Journal's* list of top best places to work. Businesses provide opportunities for families to live their dreams in our state. Floridians like you are helping make our state the best place in the world to raise a family, have a great career and enjoy a life full of opportunity.

Florida businesses have created more than 1.35 million jobs in just over six years, and our economy is booming because of our continued focus on cutting taxes, reducing burdensome regulations, and fostering an environment where job creators can grow and succeed in Florida. We will continue to do all we can to secure a bright future for Florida by diversifying the economy and supporting business growth so we can make Florida the global destination for jobs.

Thank you for helping make sure every family has the opportunity to succeed here in the Sunshine State. Please let me know your ideas for how we can continue to fight for Florida's future and ensure our children and grandchildren have the opportunity to succeed in our great state.

Sincerely,
